

## 6AO

### November – December 2023

Hello and welcome back! I hope you have all had a lovely break and have had a good rest. This half term the children will learn lots of exciting things and have fantastic learning experiences. In literacy, we will be learning more about World War 2 and using this as a stimulus for our writing.

The children will be taught by myself and Mrs Watson. They will also be taught by Miss Brown on Monday afternoons. If you have any questions or concerns, please feel free to ring me or see me at the end of the school day.

**Many thanks, Miss O'Connell ☺**

#### History topic:

This half term we continue to learn all about World War 2. During the half term the children will learn more about what life was like as a child in the war and they will discover how the war came to an end.

#### Geography topic:

We will be studying the United Kingdom this half term. In this unit, the children will learn about the impact of humans on areas, and they will study energy sources that are used in the UK.

#### Writing lessons:

This half term we will be planning and producing writing based on our history topic – World War 2. The children will be writing a diary entry and a persuasive advert.

Later in the term, we will be writing our own Kennings poems based on our school animals. We will learn about the features of a Kennings poem and perform them to each other.

Nearer Christmastime, we will be writing our own festive stories and trying to use direct speech effectively.
