1. Aims and objectives

Our special educational needs and disabilities (SEND) policy aims to ensure that our school fully implements national legislation and guidance regarding pupils with SEND.

This policy details how we, at Clapgate Primary School, will:

- Support and make provision for pupils with special educational needs and disabilities
- Provide pupils with SEND access to all aspects of school life so they can engage in the activities of the school alongside pupils who do not have SEND
- Help pupils with SEND fulfil their aspirations and achieve their best
- Help pupils with SEND become confident individuals living fulfilling lives
- Communicate with pupils with SEND and their parents or carers and involve them in discussions and decisions about support and provision for the pupil

Our SEN policy aims to explain:

- The roles and responsibilities of everyone involved in providing for pupils with SEND
- How we communicate with, and involve, pupils with SEND and their parents or carers in discussions and decisions about support and provision for the pupil
- Make sure the SEND policy is understood and implemented consistently by all staff

2. Vision and values

Our Mission

Throughout school, from Nursery to year 6, we will:

- Create memories
- Nurture talents
- Spark curiosity
- Raise self-esteem and aspirations
- Equip all children with the skills and attitudes they need to be happy, successful and caring individuals

Our Values

Central to our decisions about the curriculum and our approach are the key words that form the basis of our learner profile.

These are our golden threads:

- Spark – we want children to be imaginative and creative
- Grit – we want our children to be motivated and resilient
- Team – we want our children to be communicators and collaborators

- Humanity – we want our children to be respectful and caring
- Knowledge – we want our children to be knowledge seekers and keepers.

We are a fully inclusive school that aims to ensure all pupils achieve their potential, personally, socially, emotionally and academically in all areas of the curriculum, regardless of gender, ethnicity, religion, sexual identity, physical ability or educational needs.

We value all children and aim to ensure that they reach their potential by offering a broad and balanced curriculum and having high expectations.

The Special Educational Needs and Disabilities Code of Practice (2014) states that all children and young people are entitled to an education that enables them to make progress so that they:

- achieve their best
- become confident individuals living fulfilling lives, and
- make a successful transition into adulthood

We believe that all children with Special Educational Needs must have their needs recognised and assessed, with appropriate and timely intervention put in place. All staff have due regard to general duties to promote disability equality. The school strives to deliver appropriate curriculum to:

- Provide suitable learning challenges
- Meet the pupils diverse learning needs
- Remove the barriers to assessment and learning

3. Legislation and guidance

This is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND
- [The Special Educational Needs and Disability Regulations 2014](#), which set out local authorities' and schools' responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs) and the special educational needs (SEN) information report
- The [Equality Act 2010](#) (section 20), which sets out the school's duties to make reasonable adjustments for pupils with disabilities
- The [Public Sector Equality Duty](#) (section 149 of the Equality Act 2010), which set out the school's responsibilities to eliminate discrimination, harassment and victimisation; and advance equality of opportunity and foster good relations between people who share a protected characteristic (which includes having a disability) and those who don't share it
- The [Governance Handbook](#), which sets out governors' responsibilities for pupils with SEND
- The [School Admissions Code](#), which sets out the school's obligation to admit all pupils whose education, health and care (EHC) plan names the school, and its duty not to disadvantage unfairly children with a disability or with special educational needs

4. Inclusion and equal opportunities

At our school we strive to create an inclusive teaching environment that offers all pupils, no matter their needs and abilities, a broad, balanced and challenging curriculum. We are committed to offering all pupils the chance to thrive and fulfil their aspirations.

We will achieve this by making reasonable adjustments to teaching, the curriculum and the school environment to make sure that pupils with SEND are included in all aspects of school life.

5. Definitions

5.1 Special educational needs

A pupil has SEN if they have a learning difficulty or disability that requires special educational provision to be made for them.

They have a **learning difficulty or disability** if they have:

- A significantly greater difficulty in learning than most others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

5.2 Disability

Pupils are considered to have a **disability** if they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to do normal daily activities.

The school will make reasonable adjustments for pupils with disabilities, so that they are not at a substantial disadvantage compared with their peers.

5.3 The 4 areas of need

The needs of pupils with SEND are grouped into 4 broad areas. Pupils can have needs that cut across more than 1 area, and their needs may change over time.

Interventions will be selected that are appropriate for the pupil's particular area(s) of need, at the relevant time.

AREA OF NEED	
Communication and interaction	Pupils with needs in this area have difficulty communicating with others. They may have difficulty understanding what is being said to them, have trouble expressing themselves, or do not understand or use the social rules of communication. Pupils who are on the autism spectrum often have needs that fall in this category.

AREA OF NEED	
Cognition and learning	<p>Pupils with learning difficulties usually learn at a slower pace than their peers.</p> <p>A wide range of needs are grouped in this area, including:</p> <ul style="list-style-type: none"> • Specific learning difficulties, which impact 1 or more specific aspects of learning, such as: dyslexia, dyscalculia and dyspraxia • Moderate learning difficulties • Severe learning difficulties • Profound and multiple learning difficulties, which is where pupils are likely to have severe and complex learning difficulties as well as a physical disability or sensory impairment
Social, emotional and mental health	<p>These needs may reflect a wide range of underlying difficulties or disorders. Pupils may have:</p> <ul style="list-style-type: none"> • Mental health difficulties such as anxiety, depression or an eating disorder • Attention deficit disorder, attention deficit hyperactive disorder or attachment disorder • Suffered adverse childhood experiences <p>These needs can manifest in many ways, for example as challenging, disruptive or disturbing behaviour, or by the pupil becoming withdrawn or isolated.</p>
Sensory and/or physical	<p>Pupils with these needs have a disability that hinders them from accessing the educational facilities generally provided.</p> <p>Pupils may have:</p> <ul style="list-style-type: none"> • A sensory impairment such as vision impairment, hearing impairment or multi-sensory impairment • A physical impairment <p>These pupils may need ongoing additional support and equipment to access all the opportunities available to their peers.</p>

6. Roles and responsibilities

6.1 The SENCO

The SENCO is **Victoria Woodhouse**.

They will:

- Ensure all parents are informed that their child may have SEN and understand the pupil's needs and any provision made
- Work with the headteacher and SEN governor to determine the strategic development of the SEND policy and provision in the school

- › Have day-to-day responsibility for the operation of this SEND policy and the co-ordination of specific provision made to support individual pupils with SEN, including those who have EHC plans
- › Provide professional guidance to colleagues and liaise and work with staff, parents, and other agencies to make sure that pupils with SEN receive appropriate support and high-quality teaching
- › Advise on the graduated approach to providing SEN support and differentiated teaching methods appropriate for individual pupils
- › Advise on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively
- › Be a point of contact for external agencies, especially the local authority (LA) and its support services, and work with external agencies to ensure that appropriate provision is provided
- › Liaise with potential next providers of education to make sure that the pupil and their parents are informed about options and that a smooth transition is planned
- › When a pupil moves to a different school or institution: Make sure that all relevant information about a pupil's SEN and the provision for them are sent to the appropriate authority, school or institution in a timely manner
- › Work with the headteacher and school governors to make sure the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements
- › Make sure the school keeps its records of all pupils with SEND up to date and accurate
- › With the headteacher, monitor to identify any staff who have specific training needs regarding SEN, and incorporate this into the school's plan for continuous professional development
- › With the headteacher, regularly review and evaluate the breadth and impact of the SEND support the school offers or can access, and co-operate with the LA in reviewing the provision that is available locally and in developing the local offer
- › Prepare and review information for inclusion in the school's SEN information report and any updates to this policy
- › With the headteacher and teaching staff, identify any patterns in the school's identification of SEN, both within the school and in comparison with national data, and use these to reflect on and reinforce the quality of teaching

6.2 The governing board

The governing board is responsible for making sure the following duties are carried out, though the duties can be delegated to a committee or an individual:

- › Co-operate with the LA in reviewing the provision that is available locally and developing the local offer
- › Do all it can to make sure that every pupil with SEND gets the support they need
- › Make sure that pupils with SEND engage in the activities of the school alongside pupils who don't have SEND
- › Inform parents when the school is making special educational provision for their child
- › Make sure that the school has arrangements in place to support any pupils with medical conditions
- › Provide access to a broad and balanced curriculum
- › Have a clear approach to identifying and responding to SEND

- › Provide an annual report for parents on their child's progress
- › Record accurately and keep up to date the provision made for pupils with SEND
- › Publish information on the school website about how the school is implementing its SEND policy, in a SEN information report
- › Publish information about the arrangements for the admission of disabled children, the steps taken to prevent disabled children being treated less favourably than others, the facilities provided to assist access of disabled children, and the school's accessibility plans
- › Make sure that there is a qualified teacher designated as SENCO for the school and that the key responsibilities of the role are set out, and monitor the effectiveness of how these are carried out
- › Determine their approach to using their resources to support the progress of pupils with SEND

6.3 The SEND link governor

The SEND link governor is **Vikki Kirkland**

The SEND governor will:

- › Help to raise awareness of SEND issues at governing board meetings
- › Monitor the quality and effectiveness of SEND provision within the school and update the governing board on this
- › Work with the headteacher and SENCO to determine the strategic development of the SEND policy and provision in the school

6.4 The headteacher

The headteacher is **Natasha Singleton**.

The headteacher will:

- › Work with the SENCO and SEND link governor to determine the strategic development of the SEND policy and provision within the school
- › Work with the SENCO and school governors to make sure the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements
- › Have overall responsibility for, and awareness of, the provision for pupils with SEND, and their progress
- › Have responsibility for monitoring the school's notional SEND budget and any additional funding allocated by the LA to support individual pupils
- › Make sure that the SENCO has enough time to carry out their duties
- › Have an overview of the needs of the current cohort of pupils on the SEND register
- › Advise the LA when a pupil needs an EHC needs assessment, or when an EHC plan needs an early review
- › With the SENCO, monitor to identify any staff who have specific training needs regarding SEN, and incorporate this into the school's plan for continuous professional development
- › With the SENCO, regularly review and evaluate the breadth and impact of the SEND support the school offers or can access, and co-operate with the LA in reviewing the provision that is available locally and in developing the local offer
- › With the SENCO and teaching staff, identify any patterns in the school's identification of SEN, both within the school and in comparison with national data, and use these to reflect on and reinforce the quality of teaching

6.5 Class teachers

Each class teacher is responsible for:

- › Planning and providing high-quality teaching that is differentiated to meet pupil needs through a graduated approach
- › The progress and development of every pupil in their class
- › Working closely with any teaching assistants or specialist staff to plan and assess the impact of support and interventions, and consider how they can be linked to classroom teaching
- › Working with the SENCO to review each pupil's progress and development, and decide on any changes to provision
- › Ensuring they follow this SEND policy and the SEN information report
- › Communicating with parents regularly to:
 - Set clear outcomes and review progress towards them
 - Discuss the activities and support that will help achieve the set outcomes
 - Identify the responsibilities of the parent, the pupil and the school
 - Listen to the parents' concerns and agree their aspirations for the pupil

6.6 Parents or carers

Parents or carers should inform the school if they have any concerns about their child's progress or development.

Parents or carers of a pupil on the SEND register will always be given the opportunity to provide information and express their views about the pupil's SEND and the support provided. They will be invited to participate in discussions and decisions about this support. They will be:

- › Invited to termly meetings to review the provision that is in place for their child
- › Asked to provide information about the impact of SEN support outside school and any changes in the pupil's needs
- › Given the opportunity to share their concerns and, with school staff, agree their aspirations for the pupil
- › Given an annual report on the pupil's progress

The school will take into account the views of the parent or carer in any decisions made about the pupil.

6.7 The pupil

Pupils will always be given the opportunity to provide information and express their views about their SEND and the support provided. They will be invited to participate in discussions and decisions about this support.

Pupils will be invited to give their voice through:

- › Talking mats
- › SEN plan reviews
- › Conversations with staff

The pupil's views will be taken into account in making decisions that affect them, whenever possible.

7. SEN information report

The school publishes a SEN information report on its website, which sets out how this policy is implemented in the school.

The information report will be updated annually and as soon as possible after any changes to the information it contains.

8. Our approach to SEND support

8.1 Identifying pupils with SEND and assessing their needs

We will assess each pupil's current skills and levels of attainment on entry, which will build on previous settings and Key Stages, where appropriate. Assessment is a continuing process that can identify pupils who may have SEN. The school will measure children's progress by referring to:

- Baseline testing-spelling and comprehension
- Evidence from teacher observation and assessment
- Pupil's performance against age related expectations at the end of a key stage.
- Standardised screening or assessment tools.
- Other baseline testing

Class teachers will make regular assessments of progress for all pupils and identify those whose progress:

- Is significantly slower than that of their peers starting from the same baseline
- Fails to match or better the child's previous rate of progress
- Fails to close the attainment gap between the child and their peers
- Widens the attainment gap

This may include progress in areas other than attainment, for example, social needs.

Slow progress and low attainment will not automatically mean a pupil is recorded as having SEN.

Potential short-term causes of impact on behaviour or performance will be considered, such as bullying or bereavement. Staff will also take particular care in identifying and assessing SEN for pupils whose first language is not English.

When deciding whether special educational provision is required, we will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil and their parents. We will use this to determine the support that is needed and whether we can provide it by adapting our core offer, or whether something different or additional is needed.

If a pupil is joining the school, and:

- Their previous setting has already identified that they have SEN
- They are known to external agencies
- They have an education, health and care plan (EHCP)

then the school will work in a multi-agency way to make sure we get relevant information before the pupil starts at school, so support can be put in place as early as possible.

8.2 Consulting and involving pupils and parents

Clapgate Primary School will have regard to the SEN Code of Practice (2014) when carrying out its duties toward all pupils with special educational needs and ensure that parents are notified of a

decision by the school that SEN provision is being made for their child. Partnership with parents plays a key role in enabling children and young people with SEN to achieve their potential. We recognise that parents hold key information and have knowledge and experience to contribute to the shared view of a child's needs and the best ways of supporting them. All parents of children with special educational needs will be treated as partners and supported to play an active and valued role in their children's education.

When we are aiming to identify whether a pupil needs special education provision, we will have an early discussion with the pupil and their parents. These conversations will make sure that:

- › Everyone develops a good understanding of the pupil's areas of strength and difficulty
- › We take into account any concerns the parents have
- › Everyone understands the agreed outcomes sought for the child
- › Everyone is clear on what the next steps are

Notes of these early discussions will be added to the pupil's record and given to their parents.

We will formally notify parents if it is decided that a pupil will receive special educational provision.

8.3 The graduated approach to SEN support

Once a pupil has been identified as having SEN, we will take action to remove any barriers to learning, and put effective special educational provision in place. This support will be delivered through successive rounds of a 4-part cycle known as the graduated approach.

1. Assess

The pupil's class teacher and the SENCO will carry out a clear analysis of the pupil's needs. The views of the pupil and their parents will be taken into account. The school may also seek advice from external support services.

The assessment will be reviewed regularly to help make sure that the support in place is matched to the pupil's need. For many pupils, the most reliable way to identify needs is to observe the way they respond to an intervention.

2. Plan

In consultation with the parents and the pupil, the teacher and the SENCO will decide which adjustments, interventions and support will be put into place, the expected outcomes, and a clear date for review.

All staff who work with the pupil will be made aware of the pupil's needs, the outcomes sought, the support provided and any teaching strategies or approaches that are needed. This information will be recorded on our management information system, Arbor, and will be made accessible to staff in a Special Educational Needs Graduated Approach Plan.

Parents will be fully aware of the planned support and interventions, and may be asked to reinforce or contribute to progress at home.

3. Do

The pupil's class or subject teacher retains overall responsibility for their progress.

Where the plan involves group or 1-to-1 teaching away from the main class or subject teacher, they still retain responsibility for the pupil. They will work closely with any teaching assistants or specialist staff involved, to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.

The SENCO will support the teacher in further assessing the pupil's particular strengths and weaknesses, in problem solving and advising on how to implement support effectively.

4. Review

The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed in line with the agreed date.

We will evaluate the impact and quality of the support and interventions. This evaluation will be based on:

- The views of the parents and pupils
- The level of progress the pupil has made towards their outcomes
- The views of teaching staff who work with the pupil

The teacher and the SENCO will revise the outcomes and support in light of the pupil's progress and development, and in consultation with the pupil and their parents.

8.4 Levels of support

School-based SEN provision

Pupils receiving SEN provision will be placed on the school's SEND register. These pupils have needs that can be met by the school through the graduated approach. Where the pupil's needs cannot be adequately met with in-house expertise, staff will consider involving an external specialist as soon as possible.

The provision for these pupils is funded through the school's notional SEND budget, or for pupils with higher levels of need and meeting the criteria, there may be top up funding through Funding For Inclusion (FFI) (high level needs funding block from the LA).

On the census these pupils will be marked with the code K.

Education, health and care (EHC) plan

Pupils who need more support than is available through the school's school-based SEN provision may be entitled to an EHC plan. The plan is a legal document that describes the needs of the pupil, the provision that will be put in place, and the outcomes sought.

The provision for these pupils will be funded from the school's notional SEND budget, and potentially through FFI (see above).

On the census these pupils will be marked with the code E.

8.5 Evaluating the effectiveness of SEN provision

We evaluate the effectiveness of provision for pupils with SEN by:

- Reviewing pupils' individual progress towards their targets each term through SEN pupil progress meetings and data tracking
- Regular intervention reviews to determine the impact of interventions.
- Using pupil questionnaires
- Monitoring by the SENCO (classroom observations, learning walks, review meetings)
- Use of provision maps
- Holding termly ISAR reviews (for those in receipt of Early Years Funding), annual Funding for Inclusion Reviews, annual EHC reviews.

9. Expertise and training of staff

Our SENCO has more than ten years of experience in the role of SENCO and joined Clapgate Primary School four years ago.

The SENCO is allocated five days per week to manage SEN provision.

We have a large team of teaching assistants who are trained to deliver SEN provision.

We have two specialist teams who support children with highest needs in school:

SEN team: SENDCO and two specialist teaching assistants. Our specialist teaching assistants support children with a range of needs across the whole school, delivering interventions and taking small groups.

Therapeutic team: SENDCO, Therapeutic lead and three teaching assistants (two of which are part time in the role). This team offer a number of different supports and interventions for children with SEMH needs.

Training is regularly provided to teaching and support staff. Teaching assistants receive a termly training session which has been carefully planned to address school priorities and skills of staff. The Senior Leadership Team and the SENCO continuously monitor to identify any staff who have specific training needs and incorporate this into the school's plan for continuous professional development.

10. Links with external professional agencies

Clapgate Primary School works closely with another of outside agencies to ensure the needs of all children are met. When needed school may refer to outside agencies for support and will also respond to requests for joint working when approached by other agencies. We recognise and embrace the importance of a joined - up approach to supporting children and their families.

School work with services such as:

- Chatterbugs (Speech and Language Therapists)
- SENIT
- STARS (Autism team)
- Educational Psychology Team
- Impact North
- JESS Cluster
- Area Inclusion Partnership
- SENDIASS
- Reach Primary Learning Centre
- Social Care
- School Nursing Team
- NHS Speech and Language Therapy Service
- Leeds CAMHS
- NHS - General practitioners or paediatricians
- BARCA
- Family Support Workers

11. Admission and accessibility arrangements

Clapgate Primary School is fully inclusive and as such we aim to ensure that all pupils can enjoy and take part in all aspects of school life.

11.1 Admission arrangements

Priority will be given to pupils without an EHCP but who have Special Educational Needs, or exceptional medical or mobility needs. Where Clapgate Primary School is named on an EHCP, the pupil will be admitted to our school providing we can meet their needs.

When admitting children with a disability or known SEN, the SENDCO will work with teaching staff, parents, and previous settings and involved outside agencies to ensure a smooth transition into school.

11.2 Accessibility arrangements

Facilities are provided in school to support access for those with disabilities, these include ramps, lifts and disabled toilet facilities. For further information, please see the school accessibility plan.

The ethos of the school promotes equality for all and any unfair treatment of those pupils with SEND will be referred to the headteacher.

12. Complaints about SEND provision

Where parents have concerns about our school's SEND provision, they should first raise their concerns informally with the class teacher or SENDCO. We will try to resolve the complaint informally in the first instance. If this does not resolve their concerns, parents are welcome to submit their complaint formally.

Formal complaints about SEND provision in our school should be made to the headteacher in the first instance. They will be handled in line with the school's complaints policy.

If the parent or carer is not satisfied with the school's response, they can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEN Code of Practice](#).

To find out about disagreement resolution and mediation services in our local area, <https://sendiass.leeds.gov.uk/> or <https://leedslocaloffer.org.uk/#!/directory>

13. Monitoring and evaluation arrangements

13.1 Evaluating the effectiveness of the policy

We are constantly looking for ways to improve our SEND policy. We will do this by evaluating whether or not we are meeting our objectives set out in section 1. All staff will be required to read and understand the policy yearly.

We will evaluate how effective our SEND provision is with regards to:

- How early pupils are identified as having SEND
- Pupils' progress and attainment once they have been identified as having SEND
- Whether pupils with SEND feel safe, valued and included in the school community
- Comments and feedback from pupils and their parents

13.2 Monitoring the policy

This policy will be reviewed by Victoria Woodhouse **every year**. It will also be updated when any new legislation, requirements or changes in procedure occur during the year.

It will be approved by the full governing board.

14. Links with other policies and documents

This policy links to the following documents:

- SEN information report
- Accessibility plan
- Behaviour policy
- Equality information and objectives
- Supporting pupils with medical conditions policy
- Attendance policy
