

## Year 4 Newsletter: Spring 2

We hope you all had a wonderful half term break and were able to spend some quality time together. We are really looking forward to the variety of interesting topics we will be looking at this half term, and it will be great to see the children excel even further!

We will continue placing a big focus on preparing for the government issued multiplication table check at the end of the year and continue to encourage the use of TTRS at home and in school. The children will continue to be taught by ourselves as well as Miss Webster and Mrs Clark throughout Spring 2. 4RM is supported by Miss Lena and 4SM is supported by Mrs Dobson. If you have any queries, please don't hesitate to contact us!
