

**Autumn Term**  
**November 2024 – December 2024**

We hope that you and your children enjoyed the October half term! We are excited to see your children again! We have some amazing topics this half term, which will excite your children, including: Space and Mountains. We have lots of fun and thrilling lessons planned for the next 7 weeks!

As always, if you have any questions or concerns, please feel free to pop into school or email your child's class teacher.

**Many thanks, Mrs Phipps and Mrs Benson** 😊

**Writing lessons:**

We are very excited to start writing after a half term focusing on the place value of punctuation and grammar. We will start by creating a non-chronological report about the planets in our solar system. We will then complete a recount, where we will use more descriptive language in our fiction writing.

**This half term's learning:**

**Science**

Space - This half term we will be looking at space and our solar system.

**Computing**

Video editing- tips and tricks for creating short videos.

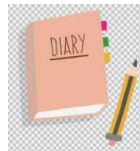

**PSHE**

Celebrating difference- this topic will explore how we are all unique.

**Weekly Calendar:**

**Wednesday and Thursday**

P.E.- Please send your children to school in their PE kit on this day.

**Thursday**

Book bags brought in

**Friday**

new homework set.

**RE**

How and why are Jewish festivals celebrated today? - children will understand the importance of festivals in the Jewish calendar.

**PE**

Football  
Team games

**You can help your child by:**

- Listening to them read on a regular basis and completing children's reading records.
- Supporting them with their homework each week.
- Allowing them to carry out any extra research at home. This can be linked to our geography, science and writing topics.

**Art**

Textiles- children will learn various sewing techniques.

**French**

Pets- children will learn the names of various pets/animals.
