Here We Are!

Remember our faces. We are your school council:

We are your school council with representatives from every class in Key Stage 2.

What do we do?

Meetings

- We meet every week with Miss Crowther to discuss school events and changes.
- We write down our ideas in a meeting minute book.
- We will let you know any news from these meetings.
- We will talk to you in class.
- We will start class debates.

Listen

- We are the **voice of the children**. We are **positive role models**.
- We want to **listen to your ideas** to make the school a better place.
- If you have a **worry or concern** about something in school, tell us.
- We want to **problem solve** and help you.
- We **share your ideas or concerns** with Mrs Singleton to **make the school a better place**.

Our Current Projects- Autumn

This is what we are working on at the moment:

- To ensure people know who we are and feel comfortable talking to us.
- Gather information from children about what bullying means and how we can support it.
- Creating an Anti Bullying Policy for the children to understand.
- To find out information about Eco Committee and see if it was impactful.
- We are going to create a suggestion box.

How to Get in Touch

- Talk to us when you see us around school.
- Write a note in our suggestion or worry box. This will be in the main office.
- Write a letter and give it to one of us.
- Ask questions when we give feedback to the class.

Remember- We are the voice of the children! We want to hear from you!
